

Attention PJC Clients –

After careful consideration and evaluation of the current coronavirus (COVID-19) situation, PJC will be handling consulting services in areas potentially affected by this pandemic on a case-by-case basis.

To mitigate risk to our consultants as well as our clients, we are encouraging good hygiene practices, self-quarantine in case of exposure, as well as avoidance of geographical areas considered high-risk. The health and safety of all is of key concern to us at PJC, and ask that any clients with concerns or questions regarding upcoming services or specific policy please contact their dedicated scheduler or project manager.

We thank everyone in advance for their cooperation in light of this constantly-evolving situation.
